OPERA EXCERPTS FOR FLUTE in 9 Volumes:

Each volume contains 64 pages with notes, general and specific, on playing the operas, with tempo markings, doublings, indications of audition and concert material, and complete index.

"...scrupulous in the thoroughness of coverage and attention to detail and accuracy"
- Walfrid Kujala, Chicago Symphony

"Teachers who know of this series would surely never let any student go through music college without both acquiring and studying all of these books-would that it had been available before I began my career."

- Judith Fitton, *Pan* (Journal of the British Flute Society)
